Aura PTL HOME Therapy System

Empowering You to Take Charge of Your Health & Your Family's!

The new Aura PTL Home Therapy System will empower you to take more responsibility for your health and your family's health by enabling you to manage many every day health care issues.

The Aura PTL Home Therapy System Gives You What You Need to:

1. Support the care prescribed to you by your Health Care Provider to enhance your results.
2. To properly address & support the most common issues:
 - Colds/Flu, Bacterial, Viral and Fungal Symptoms
 - First Aid – Cuts and Bruises
 - Strains and Sprains
 - Pain and Inflammation
3. To enable you to take an active role in your own health care and more responsibility for your daily health care therapy as directed by your Practitioner.

How The Aura PTL Home Therapy System Can Help You & Your Family!

We have developed 4 basic forms of care to meet all of your needs:

1. Restoring Your Overall Health Foundation

Every day we are exposed to many factors that affect our health. Some of these negative factors can be in the foods we eat, environmental stresses, allergies, physical traumas and emotional trauma or stress.

The Aura PTL Home Therapy System has a comprehensive Foundation Health Program that will help restore your body to optimum health. This will give the body a solid foundation on which to recover more effectively with your Practitioner's in-office professional programs.

2. General Daily Health Issues

The Aura PTL Home Therapy System has over 100 specific therapy programs preprogrammed into the Home Therapy Laser. These programs have been grouped into 4 basic categories:

- First Aid
- Organ and System Support
- General Health
- Maintenance

3. Brain and Neurological Health

Science has documented that the regular use of true Low Level Laser Therapy can significantly reduce your risk of developing many types of degenerative diseases such as

- Neurological Conditions
- Alzheimer's
- Impaired Memory and Lack of Mental Clarity

The Home Therapy System has brain and neurological programs that are designed to help keep your mind and nervous system functioning at a higher level of performance. The Aura PTL Home Therapy System is truly the best Health (brain) Longevity Insurance anyone can possibly buy.

4. Complex Health Protocols

The Aura PTL Home Therapy System enables you to continue your treatment at home as prescribed by your Practitioner. With the therapy programs available in the Home Therapy Laser System, you can effectively achieve the initial and ongoing management of almost any health issue while working with your Health Care Provider.

Easy to Use:

We have developed a system that is easy to use. Your PTL Home Therapy System comes with a complete treatment guide that gives you step by step instructions. If you know how to use a TV remote control you know how to use the PTL Home Therapy System, it is that simple.

A Complete Home Therapy System:

The Aura PTL Home System with over 100 unique therapy programs is the most complete home laser on the market today. Never before has a home low level light laser system been offered that does so much.

The PTL Home Therapy System utilizes the same advanced technology as the professional BioLight AURA PTL II laser so the therapy is extremely effective and safe.

This system allows you to speed up the healing time and reduce pain for symptoms and conditions such as burns, cuts and bruises, strains and sprains, colds and flu's, falls and bumps to name just a few. You & your family deserve the best treatment to insure complete healing with minimal time, pain and disability.

The Aura PTL Home Therapy System allows your physician to prescribe quality home care that will significantly reduce your overall healthcare costs.

Safe for Your Whole Family

True Low Level Laser Therapy (LLLT) is extremely therapeutic and can benefit your entire family. This system is safe to use on children of any age and the elderly. The PTL Home Laser is 2 to 4 thousand times more precise than any other laser in its class on the market today.

How To Purchase Your Own System
